IID Dashboard – Year in Review

Welcome to your personalized dashboard! This dynamic view updates based on the user logged into Smartsheet and provides a snapshot of key instructional design metrics for the year. Click on any metric or graph to explore the source data directly.

Note: If a metric displays an error, it means there were 0 results returned for that category.

▲ Disclaimer: This dashboard currently does not currently support internal deployments.

Assigned Projects

Track the number of instructional design projects throughout the year to visualize workload and delivery pace.

CSAT/CPER

View learner satisfaction (CSAT) and customer performance evaluation (CPER) results to gauge impact and quality.

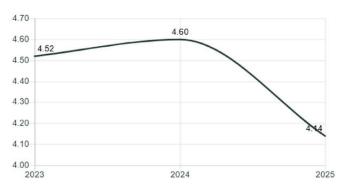

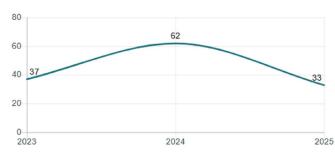

Completed Projects by Bucket

YoY: CSAT/CPER

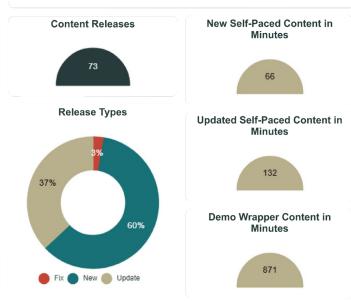

YoY: Completed Projects

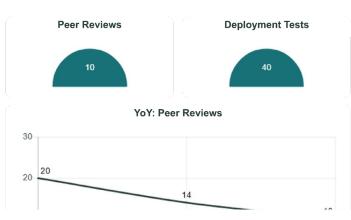

See how much training content was deployed throughout the year, including its impact on the catalog in terms of total learning minutes added.

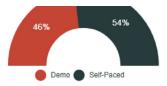

Reviews & Testing

Monitor peer reviews and deployment testing activities to highlight individual contributions to quality assurance.

Catalog Types

Learners' Feedback

Explore direct learner comments and feedback to uncover insights and opportunities for improvement.

What was the one most helpful part of this lesson?

Primary	Overall Average	Date	Helpful Part
	5.00	06/27/25	na
	4.38	06/26/25	Fair housing was thorough and helpful. I liked the examples given in the Sexual Harassment portion because that can be a dicey subject.
	3.80	06/19/25	Step by step
	4.50	06/11/25	All the details that must be checked to confirm your applicant
	4.11	06/11/25	The entire presentation was perfect on all move-in topics.
	4.00	06/11/25	The entire presentation was perfect on all move-in topics.
	3.78	06/11/25	The entire presentation was perfect on all move-in topics.
	4.75	06/07/25	Everything that was shown was very necessary
	5.00	06/07/25	Everything that was shown was very necessary
	4.13	06/03/25	I like the way they do step by step.
	4 75	06/02/25	The sten by sten visual display

Is there anything else you would like to share?

Primary	Overall Average	Date	Other feedback
	5.00	06/27/25	na
	4.38	06/26/25	Some of the questions were really irritating because I was clicking where it said to click for the correct answer and it still wouldnt let me pass it. Then I went back again, clicked where it said to, and it went through. So I had to do it several times which was super annoying even when I had the correct answers. This was during the Screening portion of the tests.
	3.80	06/19/25	It's hard finding the course you are looking for and your search button is useless
	4.50	06/11/25	no
	2.89	06/11/25	This training is good for people who are just starting are a refresh course.
	4.75	06/07/25	this topic is shown in full
	5.00	06/07/25	this topic is shown in full
	2.90	06/05/25	The training moved to quickly. I was not able too read and take in all of the information before it changed.
	4.75	06/02/25	I do not have any additional comments at this time.
	1.91	05/28/25	the presentation is what was challenging to follow the music in the background did not make it easier to follow and the quick screen
